IF IT HAD NOT BEEN FOR THE LORD ON MY SIDE

If it had not been
For the Lord on my side
Where would I be, where would I be?
If it had not been
For the Lord on my side
Where would I be, where would I be?

He kept my enemies away,
He let the sun shine
Through a cloudy day;
O, He rocked me
In the cradle of His Arms,
When He knew I had been battered
By the storm;
So, if it had not been
For the Lord on my side
Where would I be, where would I be?

7:30 a.m. and 11:00 a.m.

GENESIS 37:1-5 (NIV)

¹Jacob lived in the land where his father had stayed, the land of Canaan. ²This is the account of Jacob's family line. Joseph, a young man of seventeen, was tending the flocks with his brothers, the sons of Bilhah and the sons of Zilpah, his father's wives, and he brought their father a bad report about them.

³Now Israel loved Joseph more than any of his other sons, because he had been born to him in his old age; and he made an ornate robe for him. ⁴When his brothers saw that their father loved him more than any of them, they hated him and could not speak a kind word to him. ⁵Joseph had a dream, and when he told it to his brothers, they hated him all the more.

6:00 p.m.

2 SAMUEL 18:33 (NIV)

³³The king was shaken. He went up to the room over the gateway and wept. As he went, he said: "O my son Absalom! My son, my son Absalom! If only I had died instead of you—O Absalom, my son, my son!"

SUNDAY, SEPTEMBER 21, 2014 IS FREEDOM SUNDAY!

What is Freedom Sunday?

On Freedom Sunday, September 21, 2014, the Black Church will partner with members of the Congressional Black Caucus (CBC) across the country to participate in

services that will emphasize the importance of voter education, registration, and participation by Black Americans in the 2014 mid-term elections. Faith leaders will again proclaim, explain, and educate their members to claim their legacy of advocacy and activism in the election process.

Why Freedom Sunday?

On September 21st, Trinity UCC will participate with other churches across the nation in Freedom Sunday Services in preparation for the November mid-term elections. We, as Black Americans, simply cannot afford to stay home.

- Without voting, we had few Black elected officials. With voting, we now have over 10,000 Black elected officials and the first African American President in the White House.
- Without voting, hate groups fought to keep African Americans from voting. With voting, we have a Black U.S. Attorney General fighting for our right to vote.
- Voting gives us the right to decide whether we have jobs, health care, student financial aid, and other services our community needs.

What YOU can do!

REGISTER AND VOTE! We ask each of you to commit to encouraging 5 family members, friends, and co-workers to vote November 4th and make sure they get to the polls. To register to vote, or update your registration information, visit www.BlackandBrownPeopleVote.org. For more information and voting resources, visit www.turnouttuesday.com.

Our vote is critical. While it is important to vote, it is also important to understand where the candidates stand on the issues that affect us and our community. There are many issues that will require our political representatives support, and even after they are elected to office, we need to be active in communicating to them OUR priorities. Several issues that we will need to engage in supporting are highlighted below.

- Demilitarize Police Departments – Federal programs to transfer military weapons to local and state police departments need to be reevaluated with the goal of reducing the incredibly excessive weaponry in local arsenals, making sure equipment is appropriate to missions, and assuring strong oversight and appropriate training.
- Voting Rights Act – The Supreme Court, more than a year ago, struck down a key provision in the Voting Rights Act which protected millions of voters from discrimination. Please go to tinyurl.com/TrinityVRA to sign a petition and tell your representative to pass the Voting Rights Amendment Act (HR3899/S.1945).
- Children's Health Insurance Program (CHIP) - CHIP is a major "gap" program providing health care coverage for 6 million of children and 370,000 pregnant mothers each year, throughout America. It is focused on families that are just above the poverty line. While the law was passed in 2010, to run through 2019, funding was only approved through 2015. For more information visit The Children's Defense Fund site at tinyurl.com/TrinityCHIP.
