AIN’T GONNA LET NOBODY TURN ME ‘ROUND

VERSE 1
Ain’t gonna let nobody turn me ‘round,
Turn me ‘round, turn me ‘round;
Ain’t gonna let nobody turn me ‘round,
I’m gonna keep on a’walkin’,
Keep on a’talkin’,
Marchin’ up to freedom’s land.

VERSE 2
Ain’t gonna let racism turn me ‘round
Turn me ‘round, turn me ‘round;
Ain’t gonna let racism turn me ‘round,
I’m gonna keep on a’walkin’,
Keep on a’talkin’,
Marchin’ up to freedom’s land.

VERSE 3
Ain’t gonna let injustice turn me ‘round
Turn me ‘round, turn me ‘round;
Ain’t gonna let injustice turn me ‘round,
I’m gonna keep on a’walkin’,
Keep on a’talkin’,
Marchin’ up to freedom’s land.

Unison Scripture

JEREMIAH 5:20-28 (NIV)

20“Announce this to the descendants of Jacob and proclaim it in Judah: 21Hear this, you foolish and senseless people, who have eyes but do not see, who have ears but do not hear: 22Should you not fear me?” declares the LORD. “Should you not tremble in my presence? I made the sand a boundary for the sea, an everlasting barrier it cannot cross. The waves may roll, but they cannot prevail; they may roar, but they cannot cross it. 23But these people have stubborn and rebellious hearts; they have turned aside and gone away. 24They do not say to themselves, ‘Let us fear the LORD our God, who gives autumn and spring rains in season, who assures us of the regular weeks of harvest.’ 25Your wrongdoings have kept these away; your sins have deprived you of good.

26“Among my people are the wicked who lie in wait like men who snare birds and like those who set traps to catch people. 27Like cages full of birds, their houses are full of deceit; they have become rich and powerful 28have grown fat and sleek. Their evil deeds have no limit; they do not seek justice. They do not promote the case of the fatherless; they do not defend the just cause of the poor.

House Representatives

Housing in Washington Heights is holding up remarkably well, thank you. Despite the reported 39% plunge in Black ownership across Chicago, the predominantly black Washington Heights community has the highest home ownership rate in the city, county and even the region according to the 2010 census. The Chicago Metropolitan Agency for Planning (CMAP) maintains that the community has a rich history of long term home ownership. That’s great news if you’re looking to invest in a really stable neighborhood.

To keep it that way, the Endeleo Institute has partnered with the Cook County Land Bank to acquire and expertly rehab vacant, foreclosed homes mostly owned by out-of-state investors who lack stakes in the community. Through its exciting new Endeleo Sustainable Homeownership Program (ESHOP), Endeleo along with its property partner, Black-owned ANI Real Estate is committed to providing qualified buyers long term homeownership as a springboard to lifetime wealth building opportunities where you live.

We urge you to meet our knowledgeable and friendly real estate team led by Lutalo McGee at our table after 7:30 and 11:00 service to learn how you can become the proud owner of our first property coming to market: a stunning, completely restyled 5-bedroom, 2-bath brick home at 10151 S. Sangamon. Great house, greater neighborhood. No time like the present to buy a Washington Heights house. Represent!

Endeleo is progress, growth, and development
